### ***Judas Or Jesus - Prelude***

This is a story of two men.

Their backgrounds.

Their decisions.

And the consequences to their decisions.

Perhaps the most important part of this story is why it should matter to you.

Another book that I am pleased to share without cost with you the reader is:

#### **Into the Heart of Eden**

This writing came forth because of the writing that I do on Quora. I call it the FB for Writers.

I term Quora the FB for Writers.

If you would like to enjoy other writings from me, please feel free to do so by tapping into the content I have made available there.

You will find that I have become quite a prolific Writer on Quora with a substantial following.

Here is a snapshot of the last 90 days for my profile.

Imagine trying to tap into that level of viewership in 90 days even within a mega church.

However, these individuals are not just warming pews while wondering which will be the best dish in the potluck for today. They are actively involved by upvoting and sharing content they view. This doesn't even speak of the numerous amounts of comments and conversations that have come forth from my time on Quora. Simply put, it is a ministry of ministries that is reaching people right where they are at.

It is within this framework that I bring forward Judas or Jesus.

Before we begin there is an important message that I would like to share with you the reader.

## From the Author: Guy Siverson

When I first wrote this work, I was planning to sell it from somewhere like Amazon.

It is amazing how God changes hearts in motion.

Not only have I decided to give this work away for free, but I encourage anyone who enjoys the content herein to share it as they see fit digitally, personally or any other way.

It is my hope that this work is a work of blessing for you and in the lives of those who find themselves drawn to read its contents.

**1 Thessalonians 5:11** (KJV) - Wherefore **comfort yourselves together**, and **edify one another**, even as also ye do.

I hope this work does indeed comfort and encourage you.

For those who are wondering why I have decided to share this freely with the world especially with verses like:

**1 Timothy 5:18** (KJV) - For the scripture saith, thou shalt not muzzle the ox that treadeth out the corn. And, **The labourer is worthy of his reward.**

The answer is quite simple.

I'm using this material as a catalyst for outreach.

Outreach?

Yes.

By your sharing, this book with the world you are helping us to increase our ability to help others too. In that way, you become God's hands in motion.

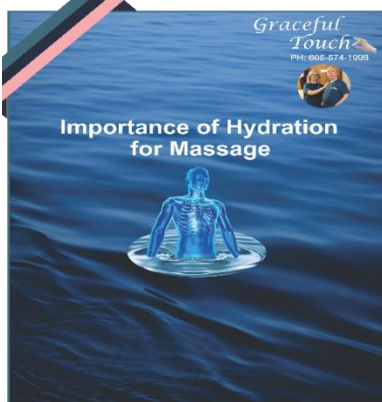

**Luke 6:38** (KJV) - Give, and it shall be given unto you; good measure, pressed down, and shaken together, and running over, shall men give into your bosom. For with the same measure that ye mete withal it shall be measured to you again.

In closing, we hope you enjoy the work that follows and are blessed as a result.
